POSTPONEMENT OF TRIMESTER 211 EXAMINATION RESULTS ANNOUNCEMENT FOR THE POSTGRADUATE PROGRAMME DUE TO FLOOD DISASTER

The recent floods that hit the country have affected teaching and learning activities in the 211 trimester. UUM is very concerned about this situation and has given an extension of time to complete assessments for postgraduate students and lecturers involved.

Accordingly, the examination results of the postgraduate programme scheduled to be announced to students on 30 December 2021 have been rescheduled. Examination results for all postgraduate learning centres will be announced on 3 January 2022.

Thank you for your time and attention.
