Dear Graduands

**HEARTIEST CONGRATULATIONS**

First of all, I pray that you are all in good health and, in your respective ways, are doing your share in the service of religion, the people, and the country.

It is with great joy and pride that I, on behalf of the Universiti Utara Malaysia (UUM) community, take this opportunity to convey our heartiest congratulations to you on your success in completing your studies. It is immensely gratifying to note that you will be graduating in the **29<sup>th</sup> Convocation Ceremony**, which is scheduled to take place from the **12<sup>th</sup> till the 16<sup>th</sup> of November 2016**, at the **Mu’adzam Shah Hall, UUM Sintok, Kedah**.

I fervently hope that, as graduates of UUM, you will continue to uphold the good name of your alma mater in the eyes of the world and do your utmost to enhance the image of UUM as the Eminent Management University.

I would like to take this opportunity to request that you spend a few moments of your time filling out the **Graduate Tracer Study (Kajian Pengesanan Graduan)** questionnaire, which can be accessed through <http://graduat.mohe.gov.my> or the link on the official UUM web page\*. As you may be aware, the rating of a university is, amongst other things, dependent on the feedback obtained from its recent graduates such as you. Therefore, I would greatly appreciate your taking the time to provide the required information. Your prompt action in this matter will certainly expedite the process involved in the collection of your academic gowns in preparation for your moment of glory – your graduation.

In closing, I pray that each and every one of you will continue to pursue excellence and success in your respective fields of endeavour. I am confident that you will succeed spectacularly if you persevere in your efforts to attain your cherished goals.

Congratulations, once again, and best wishes for the future.

**“IN THE SERVICE OF RELIGION, THE PEOPLE, AND THE COUNTRY”  
“KNOWLEDGE, VIRTUE, SERVICE”**

Yours faithfully

**PROFESSOR DATO' SERI DR. MOHAMED MUSTAFA ISHAK**
